

MATLAB: Installation and Activation of a Campus-Wide license

The following installation procedure applies to staff and student individual licenses. University PC labs can be equipped with concurrent network licenses. Ask your Campus-Wide License administrator for details or for other License option.

1. Go to **MATLAB Portal** created by **MathWorks** for **TUL**

Select **'Sign in to get started'** in section **Get MATLAB and Simulink**.

- [MATLAB Portal](#)

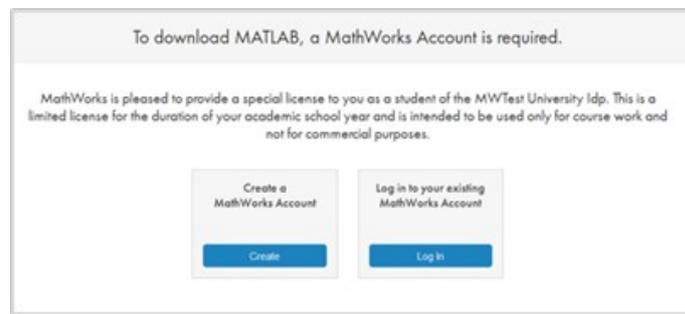

The screenshot shows the MATLAB Portal for Technická Univerzita v Liberci (TUL). At the top, there is the MathWorks logo and a dropdown menu showing 'Technická Univerzita v Liberci TUL'. Below this, it says 'MATLAB Access for Everyone at Technická Univerzita v Liberci TUL'. The main content area has a dark blue background with white text. It asks 'Where will MATLAB and Simulink take you?' and states that 82% of Fortune 100 companies use MATLAB, which means users can take their ideas beyond the classroom. There is a 'Get MATLAB and Simulink' section with a link to 'See list of available products'. Below that, it says 'Desktop. Online. Mobile. Free through your school's license.' and a prominent 'Sign in to get started' button. At the bottom, there is a small privacy notice: 'We will not sell or rent your personal contact information. See our [privacy policy](#) for details.'

Log in to your university account.

The screenshot shows the login page for the MathWorks Edu Service Provider. At the top, there is the logo of Technická Univerzita v Liberci (TUL) and the website address 'www.tul.cz'. Below this, it says 'Přihlášení ke službě **MathWorks Edu Service Provider**'. There are two input fields: 'Uživatelské jméno' (User name) with the placeholder 'jmeno.prijmeni' and 'Heslo' (Password) with the placeholder 'vaše centrální heslo do LIANE'. Below the password field, there are two checkboxes: 'Nepamatovat přihlášení' (Remember me) and 'Odvolat souhlas s uvolňováním mých informací pro tuto službu.' (Revoke consent to share my information for this service). There is a link for 'Ochrana osobních údajů' (Privacy policy). At the bottom, there is a large grey button labeled 'Přihlášení' (Login).

Create a **MathWorks account**. If you already have such an account, simply **Log in**.
